

Nursery News December

The last two weeks have flown by! Our children continue to amaze us with their brilliant imaginations and wonderful play. Here are some of our memorable moments from the past fortnight...

- We have been Building with real life equipment. We used bricks and mud mixed with water to make cement. We used the shovels while wearing our hard hats and high vis jackets!
- We had a very special visit from one of the fork lift diggers from the building site. We loved learning about the fork lift, what it does and how it moves.
- Parent stay and plays! We had great fun, thank you for coming. we look forward to the next one.
- We have been exploring doctors and hospitals. The children have loved acting out experiences they have been through before and sharing these with others.
- We have started to do cosmic yoga once a week. We have had a great response from the children who have shown us fantastic listening and concentration for following the actions.
- We have been making our own GIANT bubbles using funnels and washing up liquid. The children had a competition for who could blow the biggest.

Additional Notices

- Please fill in the sign up sheet for the singing morning on the parent notice board.
- Please ensure you have labelled your child's clothes and check that your child has their own uniform (we do this regularly too).
- We would like to ask for any Christmas decoration donations such as baubles, Christmas trees of any size, tinsel, beads, cards etc.

Home Learning Task

Please practice our Christmas songs with your child ready for our singing morning.
