FEBRUARY

This week in Nursery

We have had a very busy week of exploring and learning! We have been exploring new messy play- including mash potato, clean mud, foam sand, weetabix, hot choc, tea, rice, coffee, coffee mate, and cheerios! We have also been creating different textures and mixing water to explore change. experimenting with measurements and size.

We have had lots of fun doing our sticky kids dancing and actions in the hall to support our physical development and have enjoyed been pancake tasting and Valentines activities this week.

We have been focussing on learning numerals using hopscotch and numbers in sand and water and outside we have been pirates! We have been digging for treasure, building a pirate ship, drawing maps on large scale and hunting in the forest.

Welcome Lisa

Welcoem again to our newest staff member and keyperson, Lisa. I am sure you will agree that Lisa is a fantastic addition to our wonderful team!

Wow Stars

We would like to thank you for you fantastic wow star contributions each week! The children are always really proud of these and enjoy putting them into their special learning journey folders. We will share these with you on our parent sharing afternoon.

Thank you also to the parent's who have returned their questionnaires. Your feedback is invaluable.

In rseponse to general feedback we will be holding parent consultations next half term. This will be an opportunity for you to meet with your child's key person and discuss your child's progress since joining us in Nursery. We will share photos and observations with you of your child and alaso discuss the next steps in your child's learning jounrey.

Uniform

Can we please politely remind all parents that your child should be in school uniform every day in line with the school uniform policy. May we also remind you to label every item of clothing (including hats and scarves)

Non fiction Books

We are updating our classroom reading area and would appreciate any donations of non-fiction information books that you may have at home that you no longer read. Thank you.

Home Learning Task

We would love to see how you and your child spend your half term. Please send in photos, drawings or shared writing about what activities your child got up to.

We would like to add these to your child's display square on the wall in Nursery.

Dates and Events

PARENT INFORMATION SHARING AFTERNOONS

We will be holding parent consultations during the week beginning the 13th March. We will provide further details on this after half term.

We have so much fun in Nursery....
