

Nursery News

April

It has been a very busy time in our Nursery class this half term! Not only have our children been making huge learning leaps, you will have noticed that we have also welcomed two new members of staff to our team.

Chloe and Kayleigh have joined us as experienced practitioners, each taking on a group of key children. They both bring a wealth of early years knowledge to our Nursery class and we are delighted to welcome them to our team! If you have any questions at all then please do speak to a member of the team.

You may have noticed that Lisa has not been in the Nursery class this half term. Lisa is currently supporting children across the wider school. Lisa makes sure to pop in from time to time to visit the children and see how they are all getting on. We would like to thank you all for your support and understanding through these changes to our team.

We would like to take this opportunity to remind everyone that we do operate an open door policy at our school and if you have any questions or concerns then please do speak to us straight away. Your feedback is always so valued and we truly value the close relationships we have with our parents.

So far this half term the children have been very busy settling back into the routines and having lots of fun! Each child is making their own unique and wonderful progress and we can't wait to see where our learning takes us next. We have lots of exciting things planned...and of course, lots of play, mess, joy and wonder!

Additional Notices

- Please ensure your child has a **named** sunhat in school in warmer weather and that you supply sun cream should your child need reapplication throughout the day.
- Make sure to keep up to date on our website blogs where we often post photos and updates on our learning.
- A big well done to all of our children for taking part in the Peppa Pig walk! The children were fantastic and we had a lovely morning out. Thanks to you all, we raised over £200! Thank you.

Home Learning Task

In Nursery we love to play and get messy! We'd love to see how you do that at home too! Please send in any photos of your child or pictures that we could add to your child's display square.

We would also like to know your child's current interests so please fill in the sheet sent home to you and return to your child's key person.

Reminder!

Upcoming Dates:

Week beginning 21.5 Teddy Bears Picnic
Monday 18th June – Father's Day stay and Play session (not just for dads!)

Memories made over the last few weeks...
