Miss Hopkinson on Tedx

One of our Foundation teachers, Kelly Hopkinson, recently spoke at an education conference called TEDx. Being the Well-being lead for our trust of schools, her talk was all about staff well-being and making it a priority in schools so that our wonderful teachers feel supported and taken care of.

Well done Miss Hopkinson! To watch online, please visit: <http://www.tedxnorwiched.com>

Family Clay Workshop

We were thrilled to host nine Whitehouse families at our clay workshop on Monday, that are being run free of charge by MK Community Learning. It was lovely to see children of all ages working alongside their parents to learn new skills taught by the wonderful Mrs Norman, an Art specialist and teacher at Olney Middle School.

Library Bus

We are pleased to tell you that the Milton Keynes Council mobile library service will be using our school car park as a base for the Whitehouse Park community every two weeks. The next upcoming dates include Tuesday 8th May and Tuesday 22nd May. This service will continue every other Tuesday from these dates.

The van will be in our school car park between 2-3pm. This is a local service run by Milton Keynes council and invites any member of the public on board to borrow books.

Royal Wedding Celebrations

As a school, we will be celebrating the Royal Wedding of Prince Harry and Meghan Markle next Friday, 18th May!

The children will take part in various royal activities throughout the day, ending with a whole school picnic outside on the field!

Please can we ask for party food contributions to help with our celebrations! Contributions can include: crisps, sandwiches, fruit, sausage rolls, cakes, etc! Thank you for your support.
