Wednesday, 03 July 2019

Dear Parents/Carers,

As Chair of Governors I am delighted to be able to share a full copy of Whitehouse Primary School's first Ofsted Inspection report with you. As you are aware, the inspection was carried out on 11th and 12th June 2019.

This overall 'Good' with 'Outstanding' Early Years Provision judgement is richly deserved by Mrs Kelly and her excellent team and I am sure you will join me in congratulating all involved.

Under Mrs Kelly's successful and determined leadership the team have managed the ever changing needs and rapid growth of this new school and community effectively; this is driven by the tenacity to provide the very best possible teaching and learning opportunities for all the pupils without ever losing sight of the ethos and values that ensures that wellbeing is given as high a priority as academic achievement.

The emphasis that the school gives to pupils welfare, personal development and wellbeing is deservedly recognised "*The school has a particularly supportive, caring and nurturing ethos which enables pupils to flourish*". Parents views were overwhelmingly positive in their support for the school "*This is a fully inclusive school where all children are held in unconditional regard by leaders and staff.*"

Our Early Years provision secured the highest possible judgement of Outstanding. Being judged as Outstanding is a significant achievement and we are all extremely proud of the recognition "*where the Leaders have created a vibrant and stimulating environment in which children enjoy a rich range of learning and play.*" and "*the teachers provide a wonderfully nurturing and stimulating environment for the youngest children*".

School leaders and governors fully support Ofsted's findings and would like to take this opportunity to thank all parents and carers who completed the Ofsted parental survey on-line. Your comments were gratefully received and very helpful to the team.

Whitehouse Primary School continues to strive to be friendly, open and responsive in all matters and continues to be eager to receive your comments, concerns and feedback throughout the years. The report recognises the capacity to improve and the school has a clear vision and development plan in place to ensure this is achieved. You will continue to see new faces of the team as we continue to expand and grow.

I would personally like to express my gratitude to everyone involved and most importantly a huge thank you to all the amazing children. I could not be prouder of how they all conducted themselves during the visit and their enthusiasm for sharing their knowledge with the inspectors.

Please feel free to contact Mrs Kelly or myself via the school, if you wish to discuss any aspect of the report.

Yours sincerely,

Nicolette Green

Chair of Governors
